

JAIPUR'S NEW POWERHOUSE FOR IIT-JEE & NEET

Class 6 IGNITE - Weekend Yearlong Course

Ignite 6 course gives a balanced platform to a student to follow a concept building approach from an early age so that in higher classes he/she can have a perfect academic command. In the early classes it is very important to gain 100% confidence in studies with a higher level ability to apply learnt concepts. The weekend learning model not only provides sufficient self-study time to the students but also enables them to better balance their overall academics and co-academics.

Subjects Covered	Physics, Chemistry, Biology, Mathematics, Mental Ability							Medium	English
