CO-SPARK BATCHES (SESSION 2026-27)

CO-Spark Batch for Class 9 Students (moving to Class 10 in 2026) JEE/NEET

- ✓ This batch is for those students who have either completed or going to complete both class 9 & 10 Science syllabus by November 2025 itself (Students who prepared for NSEJS this year at a decent level are also eligible for this batch)
- ✓ There will be separate batches for JEE & NEET aspirants and right from beginning their intensive preparation for JEE/NEET will start with strong focus on *IOQM & NSEP-2026 for JEE aspirants / NSEB-2026 for NEET aspirants* to be held in November' 2026
 - ◆ IOQM/NSEP/NSEB preparation & appearing in them not only builds the exam temperament to excel in the further competitive exams of JEE & NEET but also reinforces the conceptual strength and grip over subjects
- ✓ After NSEP/NSEB/IOQM, students will be prepared primarily for 10-Board 2027 in all subjects including SST, Hindi/Sanskrit/French, English, Science/Maths. Preparation will be continued after 10-Board in March 2027
- ✓ With the focused preparation, the aim of this CO-SPARK batch is to achieve high ranks in JEE (Main+Adv) and NEET of 2029 by starting early preparation to compete at national level
- ✓ Coverage of complete syllabus of 10-Board of Science, Maths, SST, English & Hindi/Sanskrit/ French will be done from 1-Dec to 31-Jan, 2027 for CBSE board students

CO-Spark Batch for Class 10 Students (moving to Class 11 in 2026) JEE/NEET

- ✓ This batch is for those students who have basic knowledge of class 11 PCM/PCB syllabus by November 2025 itself and have completed class 10 syllabus thoroughly
- ✓ Separate batches are made for JEE & NEET aspirants and right from beginning their intensive preparation for JEE/NEET will start
- ✓ Special groups are formed of deserving students for IOQM, NSEP, NSEC, NSEB & NSEA
 - ◆ IOQM/NSEP/NSEC/NSEB/NSEA preparation & appearing in them not only builds the exam temperament to excel in the further competitive exams of JEE & NEET but also reinforces the conceptual strength and grip over subjects
- ✓ With the focused preparation, the aim of this CO-Spark Batch is to achieve high ranks in JEE (Main+Adv) and NEET of 2028 by starting early preparation to compete at national level

CO-Spark Batch for Class 11 Students (moving to Class 12 in 2026) JEE/NEET

- ✓ This batch is for those students who have completed class 11 PCM / PCB syllabus by December 2025 itself
- ✓ There will be separate batches for JEE & NEET aspirants and right from beginning their intensive preparation for JEE / NEET will start
- ✓ Special groups are formed of deserving students for IOQM, NSEP, NSEC, NSEB & NSEA
 - ◆ IOQM/NSEP/NSEC/NSEB/NSEA preparation & appearing in them not only builds the exam temperament to excel in the further competitive exams of JEE & NEET but also reinforces the conceptual strength and grip over subjects
- ✓ With the focused preparation, the aim of this CO-Spark Batch is to achieve high ranks in JEE (Main+Adv) and NEET of 2027

- ✓ **Revision Test (RT)** – Starting from October, part & full tests for class 12

Note: Other than these tests additional optional assessments are conducted as per potential of students and more additional tests for preparation of Olympiads and other prestigious exams

The Advantages of CO-Spark Batches

- ✓ CO-Spark Batches are most suitable for those students who are moving to class 10, 11 & 12 and who are ahead than others in covering the syllabus with a good command and are also very clear about their goal of IIT-JEE or NEET
- ✓ The CO-Spark Batches enable such students to not only maintain their lead but also empower them to further increase the lead so that they get much more time to master their preparation for IIT-JEE or NEET

“ To achieve a rank within the top 1000, 500, 100, or even top 10 in the highly competitive IIT-JEE or NEET exams, a rigorous and focused preparation is essential. This is the core philosophy behind the CO-Spark Batches. ”

CO-Spark Mentorship

- ✓ The mentors of CO-Spark Batches keep a regular track of learning & performance of each & every students in CO-Spark Batches
- ✓ The subject to subject, topic to topic, question to question and concept to concept monitoring of CO-Spark Batch students does not leave any scope of learning gap in them
- ✓ By eliminating the errors committed in each and every test, the CO-Spark Batch students lead towards their optimum performance in JEE & NEET also

CO/ SRG PEDAGOGY

- ✓ Narayana's CO pedagogy is a special academic approach developed over the years with proven result
- ✓ At Narayana Jaipur Center, the CO pedagogy is in practice for the students of class 6, 7, 8, 9, 10, 11 & 12
- ✓ CO pedagogy is to further boost those students who have readily grasped the taught curriculum so far and have demonstrated their performance in internal exams at a high level
- ✓ Students in the CO are given an additional academic rigour with which their ability to crack complex problems with speed is further increased

Note:

1. All the students at Narayana Jaipur Center remain regular in their allocated batches and there is no batch shuffling
2. The CO pedagogy is an additional boost for the students who demonstrate performance over a defined benchmark
3. The CO is an open opportunity to all students to undertake additional academic inputs at Narayana Jaipur Center subject to demonstration of benchmark performance

Narayana Jaipur Center has multiple in-house setups of computer terminals called Online Test Labs (OTL), in which the students of Narayana Jaipur Center attempt several tests on patterns of JEE (Adv), JEE (Main), NEET (UG) & BITSAT, as a part of their regular academic schedule.

Multiple in-house Online Test Labs (OTL)

**UNIQUE
IN-HOUSE
LABS
FOR
HIGH
SUCCESS**

The in-house Narayana Experiment Lab (N-X Lab) facilitates students to practically go through a variety of experiments in order to understand the concepts at the best level so that they can solve concept based questions with ease and full confidence.
